LED Dimmer Switch RF Remote R11 for 12V / 24V DC LED Strip Light / Tape

£22.80

Product Description

The 12/24V DC RF LED Dimming Remote + optional single channel 15A receiver (required to control the strip without the receiver the remote will have nothing to pair with)

Also included is a magnetic holder for the dimming remote that can be wall mounted to keep the remote in a safe/visible place.

This product is ideal for dimming 12/24V DC LED constant voltage systems such as LED flexible strip.

The remote has range of up to 30m from the receiver.

PLEASE NOTE - The remote requires 1 x CR2032 battery which is not included.

The max load for the receiver is:

180W @ 12V

360W @ 24V
