M24 Foundation Anchor J Bolt Set for Flange Plated Column (8m-10m / 168mm Base)

£30.60

Product Description

M24 Foundation Anchor J-bolt set for use with 330mm flange plated lighting columns (REQUIRES 4) - 330mm flange plate template also recommended - item not included sold separately. Sold as singles.

PLEASE NOTE - Weight & Windage must be checked for suitability of the column against the installation postcode. Please email us for more information prior to purchase. It is the responsibility of the installer to ensure columns are installed safely and correctly, no liability will be accepted by The LED Store/supplier. In certain cases a ground survey may be required prior to installation. .
