CLEARANCE 180W LED Flood Sports Area Light / Exterior Car Park Flood Lighting 23,400lm

~~$285.64~~ **$120.85**

Product Description

CLEARANCE Stock - limited quantities - check before ordering. Order entire amount required first time as once sold, no more will be available as a discontinued product

****CLEARANCE** 180W LED Flood Sports Area Light / Exterior Car Park Flood Lighting 23,400lm**

The Titan 2TM Heavy Duty LED Modular Flood Light utilises our advanced designed multi-fin die cast aluminum heat sink system. In combination with superior efficiency drivers from MeanwellTM we are able to deliver an efficacy of 130lm/W. The luminaire features an array of integrated SMD3030 Epistar LEDs for durability and an advanced PMMA photometric optic to ensure light uniformity.

Other benefits include minimised attraction to nocturnal wildlife due to non ultraviolet light, high light output even in cold temperatures and a range of beam angle options to suit different environments. Ideal for projects such as sports pitches, horse arenas and industrial applications. The unit features a rear mounted bracket that can be fixed to multiple positions on the fitting for ultimate flexibility. The fitting is suitable for post or wall mounting with adjustable positioning.

PRODUCT INFORMATION

Warranty	No warranty on clearance products
Part L Compliant	Yes
Dimensions	345mm x 264mm x 80mm
Equivalent to	250W SON

TECHNICAL SPECIFICATIONS

Power Consumption	180W
Input Voltage	90-305V AC
Power Factor	>0.95
Operating Temperature	-20°C to 50°C
L70 Rated Lifetime	+100,000 hours
Ingress Protection	IP65 / IK09

LUMEN PERFORMANCE

Luminous Efficiency	140lm/W
Beam Angle	150˚ X 80˚
CRI (Colour Rendering Index)	>80Ra
Lumen Output	23,400lm

AVAILABLE OPTIONS

Colour Temperature	5500K
3-Hour Emergency Version	No
Built-in Microwave Occupancy Detector	No
1-10V Dimmable	Available Option
DALI Dimmable	On Request
