CLEARANCE Vandal Proof LED Bulkhead IP65 / IK10 - Outdoor Die-Cast Aluminium

£49.06

Product Description

**CLEARANCE ** A complete LED replacement suitable for stairwells, walk ways, undercrofts as well as outdoor use being IP65 rated. With an anti-glare frosted toughened diffuser for uniform, subtle light output up to 1900lm, this unit is designed to be a direct replacement for 28W 2D-flourescents, whilst boasting efficacy of up to 106lm/W. Hence energy savings over flourescent counterparts in the region of 35-40% with an equivalent reduction in utilities. Other benefits include minimised maintenance rated at 30,000 hours, high light output even in cold temperatures and minimised distrubance to wildlife due to non ultra violet light. Further options include intergal 3-hour emergency pack with self-test function as well as built in microwave sensore for intelligent occupancy control: adjustable dimming (up to 25%), sensitivy range (180 / 0.5m - 8m) and duration (10secs - 5mins).
